ABOUT ME

Over the last twenty-plus years, I worked as an Executive Chef. I have found a new passion for Instructional Design and Technology. I enjoy the innovation, inclusion, and accessibility that being an Instructional Designer creates for all learners. I design and develop engaging material for all to benefit from.

EDUCATION

INDIANA UNIVERSITY OF PENNSYLVANIA (IUP)

2021 | Master of Arts (MA) in Education, Technology, and Instructional Design

- Graduated with a 4.0 GPA

INSTRUCTIONAL DESIGN EXPERIENCE

- Promoted to Associate Director of Instructional Design from Academic Technology Support Specialist
- Experienced in Canvas, D2L, Brightspace, and Moodle Learning Management Systems
- Highly skilled in Camtasia and Articulate 360
- Developed and created training materials for VitalSource, Accredible, the Interactive Recipe Book, and Yellowdig online learning platform
- Worked with and assisted in the development and testing launch of the Moodle Sandbox and Yellowdig Online Learning Platform
- Lead and organized the Video Library Project
- Worked with and assisted the Graphic Design Team in designing and implementing materials
 - Created multiple mockups of websites within Wix, Weebly, and Squarespace to assist the Graphic and Instructional Design Team
- Successfully launched new technology pilots in 3 courses with approximately 300 students.
 - Launched, collected, and analyzed automated survey and questionnaire data
 - Collected user data during and at the conclusion of the pilots
- The implementation of adult learning theories and needs analysis in the Adult Education courses I taught or redesigned resulted in an overall student approval rating of 95%.
- Utilized the ADDIE model in Adult Education curriculum.
- Designed courses for students with a wide range of learning styles.
 - Post-course student surveys concluded that 94% thought the technology assisted their learning and 99% felt the materials increased their interest.
- Provided daily support for the other instructors with the conversion of classes to an online format.
- Developed an Articulate Rise course for the IUP Center of Teaching Excellence.
- Utilized Articulate Rise to create hybrid learning materials.
- Created presentations in Camtasia, Canva, Adobe Acrobat, Adobe Spark, Microsoft PowerPoint, and Microsoft Sway.
- Utilized Quizziz and Kahoot to create learning and reflection games.
- Utilized Canva to create infographics.
- Created video presentations in Adobe Spark and YouTube.
- Produced and developed videos for online instruction using Adobe Premier Pro.
- Additionally, in curriculum development, I created materials in Moodle, Canvas, and D2L Learning Management Systems (LMS) that engaged learners in the hybrid and blended learning styles.
